

Taylor Shaw partnering Durham Schools

Welcome to Taylor Shaw

We are delighted to inform you that we have now formed a partnership with most Durham Primary and Day Special Schools.

Taylor Shaw Limited is a successful catering company with over 10 years experience providing high quality catering services to both state and public schools feeding primary children. Our catering team is locally based in our offices in the Durham area.

We currently provide meals to eight secondary schools in County Durham.

It is the aim of this partnership to provide exciting, healthy and nutritious food to your child.

The cost of your child's school meal will be set at £1.65 from September 2008. Any school meal order systems currently in place will remain the same.

Our Menus

Our menus will incorporate locally sourced seasonal food including free range eggs as standard.

As a company we insist on only purchasing quality ingredients using the freshest produce available with the emphasis being on providing freshly prepared, home-cooked dishes to your child.

We provide interesting and exciting foods and change the menus regularly.

The next terms menu can be found on the reverse of this newsletter.

Making Food Fun!!

We want pupils to realise that school food can be fun.

We will be introducing taster sessions, theme days, a promotional calendar, fruit and vegetable of the month, cookery demonstrations and competitions, allowing your child not only to try new foods but also have fun.

We will work with your school to enhance the learning process and also develop your child's social skills.

The Nutritional Bit . . .

Healthy food doesn't have to equal boring food.

We strongly believe that a balanced nutritional diet is vital to the physical and mental performance of all pupils and we have both a social and moral responsibility to provide this to your child.

Not only will we work to exceed the government's guidelines, we will also emphasise the importance of eating a healthy diet.

- 5 - Portions of fruit a day**
- 4 - Weekly menu cycle**
- 3 - A day calcium**
- 2 - Hands on fun sessions per term**
- 1 - Competition per term**
