

# Red Rose Primary School Mobile Phone Contract

## Aim High Be Proud

Red Rose Primary recognises that on some occasions it may be helpful for a pupil to bring a mobile phone into school, for instance, if they walk to school unaccompanied or they are being collected by a different carer. We believe that pupil use of a mobile phone during the school day can be disruptive and this agreement outlines how pupil phones will be managed within our school.

### Our Pupil Mobile Phone Rules

- All pupils bringing a phone into school must have a good reason for doing so, and must have returned this agreement. All mobile phones must be stored in Mrs Bainbridge's Office during the working school day.
- The school will help children to learn about staying safe online, but recognises that the primary responsibility for online safety at home lies with parents/carers. The school will seek to work with families to help them to encourage children to adopt safe use of mobile technology.
- Children not following these rules will not be allowed to bring a phone into school. Any phone brought in without permission will be confiscated and only returned to a parent or carer.
- Children should be reminded not to take photographs or videos of people without asking and never to take them on the way into or out of school. This is because some children are not allowed to have their photograph taken.
- All phones should be turned off before handing in to Mrs Bainbridge, Headteacher. The school cannot accept responsibility for damage or loss of a mobile phone brought into school.
- The school has the right to confiscate or search a mobile phone. In the unlikely event of needing to do this, we will endeavour to contact a parent or carer. As part of this agreement, your child should agree to unlock the phone if required by a member of staff.
- We currently advise that the use of Smart Watches is not appropriate in school due to risks of loss and damage.

Parents may want to look at the advice on [www.internetmatters.org](http://www.internetmatters.org) which explains how to add some parental controls to the phone and gives advice on how to keep children safe.

Please sign and return the agreement attached.
