

Red Rose Primary School Sports Premium 2017-18

The government is providing additional funding for the academic year 2017/18 to improve provision of physical education and sporting opportunities in primary schools. This funding has been provided jointly by the Departments for Education, Health and Culture, Media and Sport.

Sports Premium Objectives

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary aged pupils to encourage the development of healthy, active lifestyles.

The **5 main objectives** which need to be fulfilled are as follows:

1. Engagement of all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport is raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.
