

## Red Rose Primary School

30.06.2021

Dear Parents / Carers

Please find some information which we hope you will find useful as we head towards the end of term.

### COVID

We continue to hear of positive COVID cases in the area. We are working very hard in school to keep contacts to a minimum and adhere to stringent risk assessments. This has resulted in us having to make some changes to some of the end of term events that were previously planned.

Again, I would like to thank parents for all their diligence and support in ensuring we all keep as safe as possible. Please keep your child off school if they are not well and should your child show any of the the 3 main symptoms:

- High temperature
- New or continuous cough
- Loss of taste or smell

or you are concerned that they may have COVID, then you need to self isolate and await the results of a **PCR test**.

**A lateral flow test result should not be used.** School needs to be informed of the results of the test as soon as possible, even if it is negative.

**Face Masks** - We politely request that all adults wear a face mask on site to reduce the spread of infection. If you are exempt from wearing a face mask and have not informed us, then can you please do so to avoid us having to ask and cause any embarrassment.

### Sunscreen / Sun hat / Water

As we continue to enjoy the sunny weather, can I please remind parents / carers to apply sunscreen to your child before attending school and to bring a sun hat and water bottle. Children can apply suncream during the day and will be frequently reminded by staff.

### School Dog

Hugo will be visiting school for the remainder of the week. He will possibly be in the yard with me each morning. An important aspect of Hugo's training is that he learns that it is the adult / child who decides to initiate attention and not him. This is tricky for a puppy to learn but very important if he is to succeed in his training. Could I ask that you therefore ignore him if you see him on the school site. Thank you for your cooperation as he is tricky to resist!

### School Reports

Your child will bring home their school report on Friday 9th July. Should you have any queries, staff will be available for a telephone appointment on Monday 12th July.

## Red Rose Primary School

### New classes / teachers

The children will be informed of their new class and teacher on Monday 5th July. We have had to look at transition visits happening outdoors due to COVID and bubble restrictions. One event has been planned for Thursday 8th July and the other Wednesday 14th July (weather permitting)

### End of year gifts

We are always overwhelmed by your kindness at the end of an academic year and know that many children like to bring in a leaving gift. Whilst we are very appreciative of your generosity, we ask that this year you refrain from bringing gifts into school due to COVID.

### Uniform

If you have any uniform requests can we ask that you complete the uniform ordering form which can be found on our school website (<https://www.redroseprimaryschool.com/parents/our-school-uniform>) and send this to:

[Office@redroseprimaryschool.com](mailto:Office@redroseprimaryschool.com)

### Parking

I have once again received complaints from residents with regard to parking. This is an ongoing issue which takes up an unnecessary amount of my time. I can see both the difficulties parents face in trying to find a place to park and the frustration of the residents when parents park across driveways, on painted lines and even on the zig zag lines outside school. I am aware that this is a very small minority of parents but can I please ask that you do not use Beverley Gardens as a turning circle and do not drop off children on the zig zag lines. The parking enforcement officers and police will be monitoring the situation over the next couple of weeks.

Kind regards

A handwritten signature in cursive script, appearing to read 'A Brinton'.
