

St Cuthbert's Hospice

Ho, ho, ho and off we go!

On Wednesday 1st December all children at Red Rose Primary School will run, jump, walk or leap their way around the festive themed obstacles on the school field to help raise money for St. Cuthbert's Hospice!

We would welcome children to wear festive christmas jumpers or clothing that day rather than their school uniform but ask that you send your child with a change of footwear so that if it is muddy they have something to change into.

Please help us to raise as much money as possible for this fantastic charity. We ask that if you would like to set up a Just Giving fundraising page that you follow the instructions and link below so that you join 'Team Red Rose'. This way we can link individual pages to one central Team Red Rose page and keep a running total as we go. If you would prefer a paper copy of a sponsorship form please contact your class teacher or Miss Williams. Any cash sponsorship donations will be gratefully received either on the day or up until 10th December and added to our total. All children will receive a certificate and pair of reindeer antlers for taking part.

Thank you for your continued support.
